

Woolworths Free Range Beef and Lamb and Pork are sourced from farmers who are known for good management of their flocks, farming by traditional natural methods, have good record systems and do not use a feed lot, growth promoters, and routine antibiotics and feed animal by-products and is based on the following 5 freedoms:

- **Freedom from hunger and thirst** - by ready access to fresh water and a diet to maintain full health and vigour
- **Freedom from discomfort** - by providing an appropriate environment including shelter and a comfortable resting area. This includes natural shelters on extensive ranges. Farming with well adapted animals for a particular area is also strongly recommended
- **Freedom from pain, disease or injury** - by prevention or rapid diagnosis and treatment
- **Freedom to express normal behaviour** - by providing sufficient space, proper facilities and company of an animal's own kind
- **Freedom from fear and distress** - by ensuring conditions and care which avoid mental suffering.

Our farms and abattoirs are routinely audited by SAMIC to ensure compliance to Woolworths standards.
